

Cookie Policy

What are cookies

Like most websites, this site uses cookies, which are small text files that are placed on your computer by websites that you visit to improve your experience. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. Cookies are used to enable certain features such as logging into our website, to track site usage via analytics, and to store your user settings.

By continuing to use our website you agree to the storing of cookies on your device to enhance site navigation, analyse site usage and assist in our marketing efforts.

For more information on cookies, please visit: [Commissioner's Office ICO](#)

Disabling cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser's 'Help' section on how to do this). Be aware that disabling cookies will affect the functionality of this site and many other websites that you visit.

Types of cookies and how we use them

Universal Analytics (google)

These cookies are used to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in a way that does not directly identify anyone, including the number of visitors to the website and blog, where visitors have come to the website from and the pages they visited.

For more information on Google Analytics cookies, please visit their page [here](#)

YouTube Cookies

We embed videos from our official YouTube channel using YouTube's privacy-enhanced mode. This mode may set cookies on your computer once you click on the YouTube video player, but YouTube will not store personally-identifiable cookie information for playbacks of embedded videos using the privacy-enhanced mode.

Vimeo Cookies

We embed videos from our official Vimeo channel. When you press play Vimeo will drop third party cookies to enable the video to play and to collect analytics data such as how long a viewer has watched the video. These cookies do not track individuals.

Subscription

This site offers newsletter subscription services and cookies may be used to remember if you are already registered.

More information

If there is still something that you aren't sure about or are unsure whether you need it or not, it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site. However if you are still looking for more information then you can contact us via email locate@locatelocations.com
